

# Memorable Club Events

Over the last 100 years Club members have always taken the opportunity to organise events to celebrate special occasions. They have also had to deal with a few disasters. From dinners to sailpasts, shipwrecks to balls and grand openings, our history is full of special memories. These are a few photos from our archives - we hope you enjoy spending a few moments down memory lane!

Gordon Parham, of J G Parham & Sons who built EODs in the 1950s, handing a model of one to Nigel Pusinelli at the Golden Jubilee regatta in 1969.

2015: Pennies around the pond, a joint project with ESSC marking Emsworth's designation as the first Comic Relief town
